2. PURPOSE OF THIS REQUEST FOR QUOTATION (RFQ)

The purpose of this Request for Quotation (RFQ) is to solicit quotations from potential bidder(s) for the supply and delivery of uniform for DTSL traffic trainees.

This RFQ document details and incorporates, as far as possible, the tasks and responsibilities of the potential bidder required by DTSL for the traffic trainees' uniforms.

3. LEGISLATIVE FRAMEWORK OF THE BID

This RFQ has been prepared in accordance with Public Finance Management Act, 1999 (Act, No.1 of 1999) and its Regulations, and all relevant procurement legislation. If there is contradiction with this legislation, the ACT will prevail.

9. FRONTING

- a. Government supports the spirit of broad based black economic empowerment and recognizes that real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. Against this background the Government condemn any form of fronting.
- b. The Government, in ensuring that Bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in bid documents. Should any of the fronting indicators as contained in the Guidelines on Complex Structures and Transactions and Fronting, issued by the Department of Trade, Industry and Competition be established during such enquiry / investigation, the onus will be on the Bidder / contractor to prove that fronting does not exist. Failure to do so within a period of 14 days from date of notification may invalidate the bid / contract and may also result in the restriction of the Bidder /contractor to conduct business with the public sector for a period not exceeding ten years, in addition to any other remedies DTSL may have against the Bidder / contractor concerned.

The bidder should note that the terms of its proposal will be incorporated in the proposed contract by reference and that DTSL relies upon the bidder's proposal as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

It follows therefore that misrepresentations in a proposal may give rise to service termination and a claim by DTSL against the bidder notwithstanding the conclusion of the Service Level Agreement between DTSL and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

No tender shall be awarded to a bidder who is not tax compliant. DTSL reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder in the event that it is established that such bidder was in fact not tax compliant at the time of the award, or has submitted a fraudulent Tax Clearance Certificate to DTSL, or whose verification against the Central Supplier Database (CSD) proves non-compliant. DTSL further reserves the right to cancel a contract with a successful bidder contract.

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by DTSL remain proprietary to DTSL and must be promptly returned to DTSL upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.

Throughout this bid process and thereafter, bidder(s) must secure DTSL's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid.
